

A Word from our CCP Families ...

"It's the joy on my son's face each day when he enters his preschool classroom; that's why he's at CCP."

-Erin Fry, parent, Santa Cruz Gardens

"We chose this preschool for its great reputation, and have remained there for two years now because of the quality of the program and the teachers. It was important to us that the teachers were not only experienced, but also had been with the preschool for a long time. Our son regards the teachers and his classmates as extended family members."

-Christine Copeland-Maduro, parent, West Santa Cruz

"There we were, sitting on waiting lists for three Soquel preschools, when we happened upon this jewel of a school just 15 minutes away in Santa Cruz. The spaces have opened up at the closer schools, but we're not going anywhere. My daughter is truly happy, and right at home at CCP."

-Julie Vallone, parent, Soquel

"When our son was three, he would become very disappointed at the onset of the preschool's holiday breaks. One time we had to bring him to the school so we could prove that everyone was at home for the holiday."

-David Brown, parent, Santa Cruz

A Vibrant, Welcoming Community

Excellent, experienced faculty, an outstanding track record, programs tailored to meet the unique needs of children and families, and a safe, happy, spirited learning community – just the kind of preschool your child deserves.

CCP: Bright Futures Are Our Business

It's simple: You want the best for your preschooler, and that means a warm, welcoming, happy environment where your child can learn and flourish. You'll find it at Coastal Community Preschool, an exceptional early learning center located right in the heart of Santa Cruz County.

CCP opens its doors this year as a newly independent nonprofit preschool, retaining its highly experienced and well-respected faculty and staff. We are committed to continuing our tradition of excellence based on 30+ years of outstanding service to the children of Santa Cruz County.

A Child- and Family-Centered Approach

CCP offers a safe, stimulating learning atmosphere that helps prepare your child emotionally and intellectually for school, and for life's other experiences. In this setting, we honor and protect each child's unique interests, and strive to cultivate Good People who respect themselves and others.

We invite you to join us in our mission. Our preschool encourages a family-centered, team approach to learning. We recognize that, as parents, guardians, and teachers, we share a mutual goal of raising a community of strong, confident and happy children.

A High Quality, Flexible Program

Coastal Community Preschool serves children 2½ to 5 years of age with a curriculum that encourages development at a child's own pace.

Among our program highlights, we offer:

- Low student-to-teacher ratios (maximum 7 children per teacher)
- Faculty with more than 100 years of combined experience in early childhood education
- Flexible, year-round schedules
- Curriculum personalized to the needs of each child
- A strong, active parent community

At CCP, we recognize the challenges of today's working families. We have developed a flexible program that accommodates a variety of schedules and lifestyles, while maintaining the highest quality early learning experience for each child.
